4.2.1.

- The library is the treasure house of knowledge and it is a growing institute. It provides learning resources for the students and researchers.
- There is no separate building for library. Total area of library 120 sqm. Total seating capacity .130
- The College has Library Advisory committee for the effective functioning of the library and to give user friendly services
- I The Library Advisory committee plan activities like maintenance, expansion purchase and library reforms and approves the list of required books received from the head of the departments and recommends the subscriptions of reputed journals for the students and the staff.
- The budgetary provision is made for the purchasing of required books.
- The faculty members procure the books from book fairs, exhibitions and internet sources.
- Total numbers of computer in library for public access. : **02**
- Internet band width-speed **100mbps**
- Average number of login to e-resources :
- Average number of e-resources downloaded/printed
- Number of information literacy trainings organized :**03**
- Details of 'weeding out' of books and other materials: **18**
- The library staff supports the students and the teachers for data collection and references.
- The question papers of previous university exams are available in library for students.
- The new arrivals are displayed on the notice-board.
- The library provides inter library loan facility with local public library
- The students are provided extra-working hours during examination period.
- The books for competitive exams are made available for students. .
- The library displays the employment advertisements on the notice board for student's information.
- The library organizes the book exhibition for newly admitted students.

- The news cuttings are filed for future references.
- The library operations are effective and user- friendly.
- The college treats the students cordially and special attentions given to physically challenged students and given priority in issuing books.
- The library staff assists such students for obtaining specific books.
- Reading Magnifier is kept in the library for students who are visually challenged.
- The library collects the feedback from users and incorporates the suggestions in its enhanced functioning.
- The library has mounted a suggestion box to redress the complaints and suggestions of the students.
- The student's feedback is received from representatives in the meeting of students council
- The feedback is collected in the meetings of the Alumni Association.
- The visitor's book is maintained in the library for the remarks.
- The list of book donors is displayed in the library
- It is also a way of feedback and helps us to improve the library services.
- Library is fully automated, bar code system is adopted. It also uses the system of catalogue (OPAC) and soul software
- . Library is the member of N-List (INFLINET) which provides open access for students and staffs
- The details of the amount spent on procuring new books journals and resources during the last four years is givens below.
