6.1.1.

The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the institution and it is visible in various institutional practices.

Vision

The motto of the college is **Dnyanam Param Dhyeyam**. The vision of the college is to eliminate the darkness of ignorance by lighting the lamps of knowledge.

Knowledge is the power and asset in the knowledge based society and panacea for all problems. The college is established with a noble aim to disseminate knowledge in the society. The ultimate aim of knowledge is to reach everyone and make everyone equal in all possible ways. The college strives to provide quality higher education to students from the socially and economically backward community that resides in the rural, hilly, drought prone area of the Beed district in the state of Maharashtra.

Mission

- To impart knowledge and skills to the students.
- To inculcate moral values through education.
- To provide qualitative higher education to the community.
- To bring the educationally, socially and economically backward society in the main stream of education.
- Keeping in mind the mission and vision statements, the institution provides various opportunities for the holistic growth of students.
- The Lokmanya Tilak Mahavidyalaya, Wadwani Dist.Beed is governed by Rashtriya Shikshan Prasarak Mandal, Beed. The management of RSPM is open ended, quality conscious and dedicated to the cause of education.
- The management has appointed the College Development Committee. The CDC plays a significant role in decision making .CDC at the college level is for monitoring and promoting healthy practices and plans and take decisions for the college development and to pursue the vision, mission and goals of the institution.

- The Perspective Plan is prepared for **2021-2026** comprising academic, infrastructural and support facilities and it is uploaded on the college website for the perusal of all the stakeholders. The GB, CDC and IQAC work harmoniously to implement the Perspective Plan.
- The representation of the college faculty members on the CDC, IQAC ensures the staff involvement in the Managements and decision making process for the qualitative growth of the institution
- The Principal is the head of the college, he forms various committees to decentralize the power and responsibilities appropriately, which help in monitoring and facilitating several academic functions. The Principal collects feedback from stakeholders for quality enhancement in administration and academic activities.
- The nature of governance is democratic, participative and decentralized.
- The Principal looks after the day to day activities of the college with the help of the Management, Vice-Principal, IQAC, Faculty and Non-teaching staff, coordinates activities for the quality of education.
- All the decisions are taken by the Principal. Matters related to departments are discussed with Principal and IQAC Co-ordinator by the Head of the Departments in the meetings.
- The IQAC works as a central processing unit and its suggestions are considered for academic planning of the college.
- The college has participative and decentralized management is visible in the organization of various extension activities.
