About the College

Lokmanya Tilak Mahavidyalaya is a multifaculty college, offering U.G. programmes in Arts, Commerce & Science and affiliated to Dr. Babasheb Ambedkar Marathwada University, Aurangabad. Besides, it has a distance mode centre of YCMO University, Nashik. It works under the aegis of Rashtriya Shikshan Prasarak Mandal Beed, with a vision to impart higher education to the underprivileged sections of society in the vicinity of Wadwani. The competent, efficient, dedicated and well qualified staff with the highest academic degrees and a farsighted visionary management has contributed to making it an excellent center of higher education. It has always been the prime focus of the college to provide students the best possible ambience for learning and holistic personality development. The college is recognized as one of the well known institutes that disseminates higher education in rural area of Beed district in Maharashtra. The Department of Library Science from its establishment actively organizes various academic and extra-curricular and community awareness extension activities.

Concept note on Webinar

The COVID 19 pandemic has brought unprecedented changes worldwide in the socio-economic life as well as in the field of education. Teaching, Learning and Evaluation processes have been hampered by lockdown scenario and preferably online tools are used in Work from Home policy. Open Education Resources (OER) are important in lockdown period for students and faculty members to breaking down barriers to learning as it provides a wide variety of material and bridges the

information gap and providing learning opportunities to all. OERS resources, tools and practices that are free of legal, financial and technical barriers and can be freely used shared and adapted in the digital environment are available on internet and free access to quality educational resources. So, awareness campaigns are needed to empower people with digital knowledge to quench their thirst of knowledge. The present webinar is aimed at to foster and to promote understanding the use of Open Education Resources (OER) available online. This is a sincere attempt by the department of Library Science and the IQAC to educate and empower students, teachers and community. The webinar will connect experts to interact with students, teachers and stakeholders and provide a platform for elaborate deliberations and discussions on online avenues of information search to create meaningful learning experiences to our students

Around 70 participants comprising of Principals, Professors, Associate Professors, Assistant Professors and IQAC coordinators of affiliated colleges and students participated in this webinar.

The event started with an inaugural address by the principal Dr.K .M .Pawar, he extended his warm welcome to the participants and resource persons of the webinar. He thanked Prof. Dr. Prashant Sathe from BMC Pune and Dr. D N.More, People’s College Nanded for being the speakers of the day to guide the participants about the provisions of National Education Policy 2020. He also appreciated the efforts made by the IQAC to improve the quality of Higher Education.

In his welcome address the president of L.T.M. Wadwani, Hon. Panjabrao Maske –Patil emphasized on ensuring quality in education by being accountable and improving constantly. He stated that HEI’s should be innovative in developing curriculum and teaching as per the needs of their students. He appealed to the entire faculty, nonteaching staff, students and other stake holders to work collectively and with positive aspects constantly in order to improve the quality of education.

Resoure Person-1 Dr .Prashant Sathe

Dr .Sathe in his elaborative speech highlighted the provisions of NEP-2020 , and advised to concentrate on developing skills, to re-skill and then to up-skill. He stressed on the need of improvement of quality education in HEIs with acceptable global standards by using both traditional methods of education as well as digital initiatives. He also emphasized on the important role of IQAC in constantly improving the overall quality of education of an institute. He gave a detailed presentation on NEP-2020 and focused on the major provisions, the core values, vision, and mission of proposed education policy. He urged to climb the quality ladder by adopting impending changes in

the field of education. He elaborated about the provisions made for multilingualism and use of ICT in teaching, learning and evaluation.

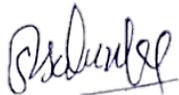

Resource Person-2 Dr.D.N.More

Dr.More especially emphasized on the provisions made for higher education. He also discussed the statistics with regards to higher education extension and budgetary provisions in India. While keeping in mind the diversity of higher education in the Indian context, he further briefed about autonomy, its utility to the HEIs and the related rules to be followed while opting for autonomy. Lastly in his session he briefed about the impact of this policy on educational sector. He emphasized on the importance of the various provisions and reforms which enable the HEI's to meet the current requirements and global standards in the field of higher education.

Sanjay Salunke, of Coordinator, IQAC conducted the programme as compere of the webinar. He informed that the IQAC is making its rigorous efforts to boost the quality of teaching, research and learning in the college. Later, the co-convenor of the webinar Sanjay Salunke proposed vote of thanks and expressed special gratitude to the resource persons for their informative and useful presentations. He also expressed gratitude to the college administration for their constant encouragement and support in conducting the Webinar, the ICT team of for hosting the event and participants in making the webinar a grand success.
